

# INTERACTIVE AUDIO LEARNING TOY

Simply place a disc on TIMIO and tap an image to play. The youngest children connect sounds and images that turn into vocabulary. Older children answer quizzes, listen to stories to relax or to music to make them move. And the oldest ones discover new languages to learn about diversity and cultural awareness.

- Teaches preschool knowledge & vocabulary, plays music & nursery rhymes, tells stories, calms with Iullabies
- More than 6 hours of entertainment per language
- 8 different languages included
- Without internet and 100% screen-free
- Designed for kids from 2 6 years old

## MORE THAN A TOY

Designed to stimulate and entertain, it gives children the control and comfort to grow on their own time and in their own way.

- Builds early childhood knowledge
- Promotes imagination and cognitive skills in an accessible and fun way without the overstimulation that can come from most electronic toys or screens
- Develops language abilities from an early age
- Fosters second or third learning language skills

# PORTABLE AND NO COMPLICATED SETUP

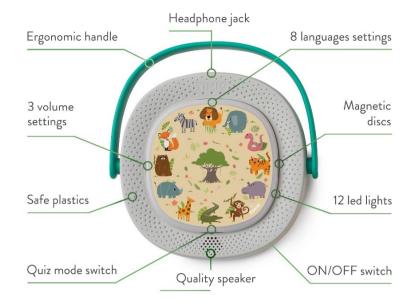

TIMIO simply requires batteries and you're good to go. Each device comes with 5 discs to start off the children's learning journey, and that's all needed for the fun to begin!

- Works straight out of the box without apps or wifi
- Easy to carry and to take with
- Comes with a headphone jack for car or plane rides
- The discs are durable and easy to swap out

# HOW TIMIO WORKS

TIMIO uses magnetic discs to unlock a library of fun and engaging content for multiple ages, on multiple subjects, and in multiple languages. Easy to use, simply select a language, place a disc on top of the player and tap an image to play.
