# Quality

## rolly toys Qualität zählt sich aus!

rolly toys Funktionsspielwaren werden nach modernsten Erkenntnissen in Deutschland hergestellt und schon bei der Produktion durch die werksinterne Qualitätssicherung ständig auf Qualität und Funktionssicherheit überprüft. Zusätzlich werden die Funktionsspielzeuge nach den international verbindlichen Qualitätsstandards der europäischen Sicherheitsnorm EN 71 und teils ASTM (=US-Norm, gilt für Exportartikel nach USA) von unabhängigen Prüfinstituten getestet. Alle Funktionsspielzeuge von roly toys sind deshalb TÜV/GS zertifiziert und mit dem CE-Zeichen versehen.

Bei unseren Spielzeugen kommen nur physiologisch unbedenkliche Materialien zum Einsatz. Alle Farben, wie

auch Metallbeschichtungen, sind frei von Schwermetallen und entsprechen damit international akzeptierten Standards. In der Fertigung werden grundsätzlich umweltverträgliche Kunststoffe nach aktuellem Entwicklungsstand eingesetzt.

Durch die effektive Produktentwicklung bieten wir Ihnen ein breites, qualitativ hochwertiges und innovatives Sortiment zu einem sehr günstigen Preis-Leistungsverhältnis. ## La qualità roly toys vale sempre la pena!

I giocattoli funzionali roly toys vengono prodotti in Germania, in conformità alle più moderne conoscenze e controllati continuamente, già durante la produzione, dal reparto qualità dell'azienda, per quanto riguarda la qualità e la sicurezza nel funzionamento. I giocattoli funzionali vengono inoltre testati in conformità agli standard di qualità internazionali vincolanti della norma europea EN 71 ed in parte ASTM (=norma US, vale per articoli d'esportazione verso gli USA) da istituti di controllo indipendenti. Tutti i giocattoli di funzionamento della roly toys sono quindi certificati TÜV/GS e dotati di simbolo CE.

Per la produzione dei nostri giocattoli, vengono utilizzati solo materiali che non presentano rischi dal punto di vista fisiologico. Tutti i colori, come anche le coperture metalliche, sono privi di metalli pesanti e corrispondono a standard riconosciuti su scala internazionale. Per la produzione si utilizzano fondamentalmente materiali plastici che rispettano l'ambiente e che sono conformi allo stato attuale dello sviluppo.

Con l'effettivo sviluppo del prodotto Le offriamo un ampio ed innovativo assortimento, di elevato pregio qualitativo con un ottimo rapporto qualità prezzo. **Franz Schneider GmbH & Co. KG**

The tradition of Ferdinand Bethäuser GmbH & Co. KG goes back to the year it was founded in 1898. The owner-lead family company produced children's vehicles from 1914 up until it went insolvent in 2018.

Frank Schneider, managing director of Franz Schneider GmbH & Co. KG, recognised the potential in bringing the two traditional brands of roly toys and Ferbedo under one roof.

The brand Ferbedo has been part of Franz Schneider GmbH & Co. KG since 2020. It lives on as a brand with its own range of products and will have a future again thanks purely to the resulting synergistic effects.

Die Tradition der Ferdinand Bethäuser GmbH & Co. KG reicht bis ins Gründungsjahr 1898 zurück. Seit 1914 produzierte das bis zur Insolvenz 2018 Inhaber geführte Familienunternehmen Kinderfahrzeuge.

Frank Schneider, geschäftsführender Gesellschafter der Franz Schneider GmbH & Co. KG erkannte die Potenziale, die sich aus einem Zusammenführen der zwei Traditionsmarken roly toys und Ferbedo unter einem Dach ergeben könnten.

Seit 2020 gehört die Marke Ferbedo zur Franz Schneider GmbH & Co. KG. Sie wird als Marke mit einem eigenen, ergänzenden Sortiment weiterleben und schon allein durch die sich daraus ergebenden Synergieeffekte wieder eine Zukunft haben.

La tradition de Ferdinand Bethäuser GmbH & Co. KG remonte à l'année de sa fondation en 1898. Depuis 1914, l'entreprise familiale qui a été gérée par son propriétaire jusqu'à son insolvabilité en 2018 produit des véhicules pour enfants.

Frank Schneider, associé gérant de Franz Schneider GmbH & Co. KG a reconnu le potentiel qui pourrait résulter de la réunion des deux marques traditionnelles roly toys et Ferbedo sous un même toit.

Depuis 2020, la marque Ferbedo fait partie de la société Franz Schneider GmbH & Co. KG. Elle continuera à vivre en tant que marque avec sa propre gamme de produits complémentaires et aura à nouveau un avenir simplement grâce aux effets de synergie qui en résulteront.

La tradizione della Ferdinand Bethäuser GmbH & Co. KG risale al 1898, anno della fondazione. Dal 1914 fino all'insolvenza nel 2018, l'azienda familiare gestita dal titolare produceva veicoli per bambini.

Frank Schneider, amministratore delegato della Franz Schneider GmbH & Co. KG ha intuito i potenziali che potevano derivare unendo i dei due marchi tradizionali roly toys e Ferbedo sotto uno stesso tetto.

Dal 2020 il marchio Ferbedo appartiene alla Franz Schneider GmbH & Co. KG. Continuerà a vivere come marchio con un proprio assortimento integrativo e gli effetti sinergici che ne derivano le garantiranno un nuovo futuro.
